

REPLACEMENT PARTS LIST

Single Package Electric Heating / Electric Cooling Heat Pump
Q6SP - 090 / 120 Series
11.0 EER, 3-Phase Models

7.5 & 10 Ton Model Shown

IMPORTANT

- This document is primarily intended to assist qualified individuals experienced in the proper repair or servicing of this appliance. Only factory authorized parts or accessory kits may be used with this product. Improper installation, service, adjustment, or maintenance may cause explosion, fire, electrical shock or other hazardous conditions which may result in personal injury or property damage.
- Some local codes require licensed installation / service personnel to service this type of equipment. Under no circumstances should the equipment owner attempt to install parts or service this equipment. Failure to comply with this warning could result in property damage, personal injury, or death.
