

Built exclusively
for manufactured
homes

**14 SEER
HIGH-EFFICIENCY
PACKAGED AIR CONDITIONER AND
HEAT PUMP PRODUCTS**

EXCLUSIVELY MADE FOR YOUR MANUFACTURED HOME.

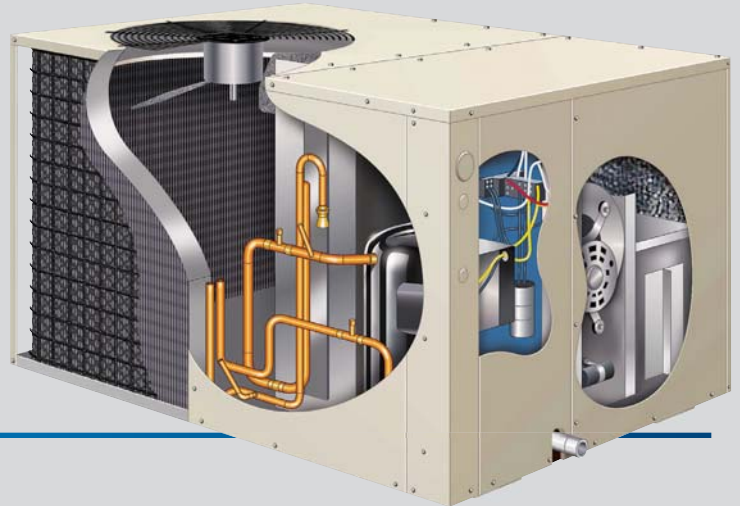

While there are many choices when considering air conditioners and heat pumps, few are designed and tested specifically for use in manufactured homes.

A Broan 14 SEER packaged air conditioner or 14 SEER, 8.0 HSPF heat pump offers maximum efficiency and system dependability for your manufactured home.

The more you learn about our manufacturing process, the more you'll see that no other heating and cooling manufacturer compares to Broan's product quality — quality made possible through Demand Flow Technology. While other companies test products at random, we use 100% computer-automated testing on every Broan product to eliminate human error in the final analysis of product quality. We are the only heating and cooling manufacturer to be DFT certified.

You can rely on your Broan expert to make your home more comfortable with digital thermostats and other manufactured home accessories.

It's a comfort to know that Broan is made for your manufactured home, and it's a comfort you can feel.

FEATURES & BENEFITS

- Compact footprint and low profile make unit easy to install and transport. Self-contained unit installs on the outside of your manufactured home to maximize indoor living space.
- Includes enhanced all aluminum evaporator and condenser coils that require less refrigerant. They are designed for harsh conditions and reduce unit weight.
- Broan coils are designed to optimize heat transfer and increase durability and reliability.
- Epoxy coated wire coil grille and plastic mesh hail guard protect coil from damage from extreme weather and flying debris.
- Permanently lubricated motor delivers long-lasting reliability and quiet operation.
- Outdoor thermostat is standard on heat pumps.
- State-of-the-art compressors improve efficiency for economical comfort.
- Warranty - Standard one-year limited parts and 5-year limited compressor. Extend your standard warranty to 10-year limited parts by registering at www.nortekhvaccwarranty.com. Contact your Broan contractor for specific warranty details.
